OKAY --

We gotta make this quick!

*** Because Sonic needs to be *RESCUED!* ***

Sorry, we're getting ahead of ourselves.

Dr. Eggman challenged the gang to a go-kart race around the island. One after another, the racers were driven off the track by Dr. Eggman's traps!

Come to think of it, they probably should've seen this coming.

ANYWAY! Sonic's go-kart went over the edge of a ravine and is now plummeting to certain doom!
